ALL DAUGHTERS

for

How The West Was Fun!

at the 777 Ranch in Ferron, Utah

May 8 & 9, 2020

With our play on words come lots of fun activities!

A Dutch oven meal will be served at 5:30 p.m., followed by all kinds of antics in the arena during our 777 Ranch-style "Cowgirl Marathon!"

The evening will end with our speaker around the campfire, complete with stories, singing, and something for all ages.

Saturday morning will start with a hearty cowboy breakfast—destination unknown!

The morning's activities will include crafts and horseback rides before others arrive for our western meal at 12:30, followed by a fun program and Miss Carol Bond as our speaker. Carol has been involved with the program team at Ironwood Christian Camp near Barstow, CA, for more years than she wants us to know! Unlike most of us, Carol has actually been on many real cattle round-ups and has all kinds of true stories to share!

But more importantly, she will share her love for the Lord with us, giving practical wisdom from God's Word for our everyday living.

Check our website for details on cost, arrival time, and what to bring at 777ranch.org.
